Form a Team

- Create up to 5 partnered knots
- Strive to a common goal together

A screenshot of a web form titled "ADD NEW KNOT". It has two input fields: "Partner" with "David" entered and "Activity" with "Running" entered. Below these is a "Target Quantity" field with "100" entered. An "ADD" button is at the bottom right.

- Contributions count for less if one partner becomes too far ahead.
- The more successful person can motivate their partner with a simple message

Collaborate

Achieve Goals

- Friends can work towards anything
- quantifiable, such as reading, photography, and running.
 - Reach difficult personal goals while deepening your social ties.
